About Us

SOP Nutraceuticals Sdn Bhd is a wholly owned subsidiary of Sarawak Oil Palms Bhd (SOP), established in 1968 as a joint venture between the British Government's Commonwealth Development Corporation and the Sarawak Government.

Now a vertically integrated, sustainable palm oil producer listed on Bursa Malaysia, SOP produces refined palm oil, olein, stearin, biodiesel, methyl esters, glycerine, carotenes and tocotrienol-rich concentrates in oil, and powder form. Our non-GMO products are extracted from virgin oils sourced from long-established, MSPO-certified sustainable plantations.

POWERFUL PALM-DERIVED WELLNESS

TOCOTRIENOLS T3E™

Nature's Superior Vitamin E

Tocotrienols are part of the Vitamin E family—but not all Vitamin E is created equal. SOP Nutraceuticals delivers potent, sustainably extracted palm-based tocotrienols, clinically studied for their powerful antioxidant, neuroprotective, and anti-aging benefits.

WHY TOCOTRIENOLS?

- Up to 60x more powerful antioxidant than alpha-tocopherol
- Supports heart and brain health
- Promotes skin regeneration & anti-aging
- Helps reduce inflammation and oxidative stress
- Supports cholesterol balance and immune function
