- ✓ Oat Yogurt Powder

PLANT-BASED DRINK POWDERS

naVitalo's plant-based drink powders are ideal as a vegan alternative to dairy products. The whole vegan range is lactose-free, gluten-free, and organic. We offer these products based on rice, oat, tapioca, almond and coconut. Plant-based drink powders are used for cooking, baking, ice cream, chocolate and many other applications. As latest innovation we also offer plant-based yogurt powders.
