PURIS® PEA BASED PRODUCTS

naVitalo is the specialist in plant-based food ingredients and offers vegan and organic pea products from PURIS®, USA. Puris® is our partner and manufacturer for premium pea proteins, fibers, starches, syrups and textured vegetable proteins (TVP) produced from high-quality and non-GMO peas. Compared to other pea products, the Puris range is characterized in particular by its high protein content, neutral taste and excellent solubility.
