Organic Vegan Protein Blend VIE

FEATURE PRODUCT

Better tasting than any vegan protein you've ever tried, **ProteoSMART®** Organic Vegan Protein Blend VIE blend features an optimized combination of pumpkin, flax and sunflower proteins. Cultivated and produced within the European Union, the best-in-class VIE blend is non-GMO, Kosher and solvent free.

Highly soluble and compatible to almost any flavor profile, **ProteoSMART®** Organic Vegan Protein Blend VIE powder should be a staple "go-to" ingredient within the research and development group of any company that manufactures or promotes meal replacement shakes, ready-to-drink beverages, protein bars, prepared foods, sauces, cereals, breads, cookies, muffins, and smoothies.

The Organic VIE blend is part of the **ProteoSMART®** family of vegan protein powders that repeatedly win taste tests against any other vegan protein in the marketplace.
