AL BARAKAH DATES™

دبس التمر معجون التمر تمور
Dates Date Paste Date Syrup

www.albarakahdatesfactory.com

WHO WE ARE

Our story began in 1988 as a foodstuff import and export company. Today, we are a market leader in the packaging and processing of Dates, Date Paste and Date Syrup. Our products reach over 35 countries worldwide.

The word Al Barakah means "the blessed" in the Arabic language. The date fruit is regarded by numerous religions, as a gift to mankind given its immense nutritional benefits and ability to grow in the most inhospitable of climates. Rich in vitamins and minerals, Al Barakah Dates make an ideal healthy snack keeping you energetic and healthy throughout the day. Our products guarantee quality, freshness and great taste.

FACTORY CAPABILITIES

Our 200,000 sq ft world-class facility located in Dubai Industrial City in Dubai, U.A.E. is the definition of technological advancement and automation. We have dedicated dates sorting, washing, and packaging lines and state-of-the-art date paste and date syrup production lines. Our range of packaging varies from bulk 1300kg IBC tanks to 50g thermoform packs. Given our rapidly-increasing production capacity and advanced technology, we can cater to our individual client's needs and requirements.

One of our key strengths at Al Barakah Dates Factory is our capacity to store more than 40,000 metric tons of dates in our cold stores, enabling us to retain the freshness of our dates throughout the season.

ANNUAL PRODUCTION CAPACITIES*

40,000 Tons of Cold Storage for Dates

30,000 Tons of Processed and Packaged Dates

18,000 Tons of Date Paste

4,000 Tons of Date Syrup

* Updated as of October 2016

PREMIUM DATE PASTE

Our Premium Date Paste is a natural and highly nutritious ingredient for the confectionary and bakery industries. It can also be consumed directly and mixed with other ingredients as a healthy and nutritious snack.

Properties

100% Natural and Raw | No Additives, Preservatives or GMO's | No Added Sugar

Uses

- Filling for biscuits, ma'moul, pastries and other baked goods.
- Main ingredient for energy bars, fruit bars and healthy snacks.
- Base for fruit flavored yogurts and sauces, i.e. Ketchup, BBQ sauces.
- Ingredient for baby food, spreads, jams and other confectionary goods.
- Consumed directly as a healthy spread, or mixed with other ingredients.

Health Benefits

- Highly nutritious — full of vitamins and minerals.
- Helps strengthen the immune system and aids in the formation of new cells in the body.
- High iron content maintains healthy levels of hemoglobin, making it a perfect supplement for iron deficiencies.
- High fibre content promotes healthy bowel movement and prevent abdominal disorders.
- High content of calcium and minerals such as phosphorus and Vitamin A strengthen the bones and prevent osteoporosis.
- High potassium content protects from neuro-diseases such as Alzheimer's.
- Studies prove dates have antioxidant, anti-mutagenic and anti-inflammatory properties.

CHOPPED DATES

Our Chopped Dates are a natural and highly nutritious ingredient for the confectionery and bakery industries. They can also be consumed directly and mixed with other ingredients as a healthy snack.

Completely machine processed from start to finish of the production process with absolutely no human touch, our Chopped Dates are completely free from foreign material or pit fragments. They are lightly coated with rice flour to prevent from sticking together.

Available Size Grades

- Between 3mm to 5mm
- Between 5mm to 6mm
- Between 6mm to 8mm
- Greater than 8mm

Properties

100% Natural and Raw | No Additives, Preservatives or GMO's | No Added Sugar

Uses

- As a high fibre ingredient to enrich cereals such as cornflakes and muesli.
- A key additional ingredient to add to granola, oatmeal and porridge.
- As an ingredient for toffee puddings, bread puddings and various other baked goods.
- A compact treat to snack on to get all the benefits of dates but do not need to deal with the seed or stickiness.
