

**Innovative, clinically
researched “flavonoid rich”
bioactive for gut health***

WHY CHOOSE GUTGARD[®]?

PIONEER

First extract from
*Glycyrrhiza
glabra*
standardised to
flavonoids

INNOVATION

Unique
manufacturing
process delivering
high flavonoid
profile and content

CLINICAL EVIDENCE

Safety & efficacy
substantiated by
2 clinical studies

COMPLIANCE

Compliance with
international
regulatory
requirements

GUT HEALTH-SCIENTIFIC STUDIES AVAILABLE ON GUTGARD®

Clinical studies

- Management of *Helicobacter pylori*: a randomized double blind placebo controlled study¹
