# Unique ranges of cereal extracts

The natural production process and the variety of processed cereals preserve the characteristics of the raw materials : colour, taste & minerals.

**Sipal®** and **Natu®** ranges offer numerous functionalities and enable a clean, clear & short labelling.

## Functionalities

- Sweetness
- Cereal flavour
- Natural color
- Fruity taste
- Crispness
- Soft structure
- Coating
- Binding agent
- Viscosity
- ...

Try them in all food & drink applications.
