

## COFFEE COLD BREW

AUTHENTIC FLAVOUR

SLIGHTLY BITTER

DELICATELY ACID

MEDIUM-BODIED

INTENSELY FRAGRANT

### CHARACTERISTICS

- For our products, we use coffee blends which are **mostly 100% Arabica from Central and South America**.
- For each type of product, we select **high-quality blends** according to their organoleptic properties.
- We study the roasting degree and grinding granulometry, so that our products **can boast unique organoleptic properties for your applications**.
- Our products are **ideal for your “clean label” applications**.

### APPLICATIONS

- Sugared or sugar-free beverages, based only on pure coffee brew, or traditionally flavoured with vanilla, hazelnut and chocolate taste, or innovative flavours, like cardamom-cinnamon, tropical-ginger, anise-peach (and other combinations, mostly of prevailing fruity flavours and vegetable extracts).
- Sugared or sugar-free beverages like cappuccino and latte macchiato, with milk and vegetable milk substitutes.
- Spirits and low-alcohol beverages.
