

BRINGING  
SCIENCE  
TO LIFE...

## About Us

We at Agarwal Life Sciences Pvt. Ltd. have always believed in delivering the best in whatever we do, whether it be manufacturing, procurement supplies, services, logistics... to be more precise delivering the promise of quality & reliability.

Our journey began in 1990 when we set up an enterprise with the vision to make to become the leading manufacturer of essential nutrition & mineral supplements. Over the past 22 years, we have emerged as one of the most respected pharmaceutical names, not just in India but worldwide.

We have state-of-the-art manufacturing facilities that make Active Pharmaceutical Ingredients (APIs). We have over 15 products in various therapeutic categories.

Our Research and Development (R&D) centre is focused on developing innovative products for the nutraceuticals, feed & other segments.

Today, we are one of the world's largest manufacturer of Ferrous Fumarate, Ferrous Sulphate & Zinc Sulphate with a strong presence in over 15 countries. We maintain world-class quality across all our products and services.

Whether it's for millions or for just a few hundreds, our journey to care for all humanity continues. And we believe we can achieve it by

## List of Products
