Chopda Foods & Spices has been bringing you the purest and the most natural form of Indian spices, whole spices and ground spices since when it came into existence in 1985 by Shri Genmal Chopra. Today it is running under the efficient hands of Uttam & Naman Chopra with the brand name - **LALAJI**

Blended Spices : Spices are genesis of Indian cooking. In every home and every state across the country, different spices are used to create different & distinctive tastes in dishes. The company is constantly trying to provide delicious taste to its products to give the feeling of homemade Spices. It has come up with a wide range of Spices, emphasizing on pure vegetarian food.

Quality Policy : Our total commitment to quality, innovation and product integrity have resulted in the trust & loyalty of our diverse clients worldwide and has made our names synonymous with quality. Our quality control begins right at the time of purchasing the raw material itself. The Raw Material is generally sourced from the place of its origin. We process various spices with utmost care to retain the natural colour, aroma and flavour at its optimum best. As a result the products coming Lalaji Spices have superior flavour and high degree of excellence. Chopda Foods & Spices employs the latest technology and testing standards at each level of processing so that the production is in compliance with export standards.

Infrastructure : Company has a professional team with years of experience in this field. All the products are manufactured in its own in-house production unit, which is equipped with latest processing machines and tools. Air tight packing technology ensures that you get the authentic and natural flavor of spices.
