

## The Traditional Savoury Concentrates

Savoury has been a part of Indian Food Habit since ages.. Savoury is consumed widely across regions (depending upon the regional taste & preferences) in one or the other form such as snacks, ready meals, noodles, soups, sauces, dressing & condiments, Meal Replacement, Canned / Preserved food and Dried / Frozen food.

To cater these requirements, Gogia Chemical offers you a wide range of liquid flavours that have been prepared with a blend of Indian traditional spices.
