> WE CAN DEVELOP A PRODUCT TO SUIT YOUR REQUIRED TASTE PROFILE

DELICIOUS OPTIONS

Every application a flavor sensation: Whether you're in the beverage production, gourmet food, confectionery or dairy business – Destilla will develop the very best flavor to suit your specific application.

Together we can develop and refine your products with natural compositions and pure essences of the highest quality. Including legal advice, packaging and quick lead times.

■ A THIRST FOR FLAVOR

As experts in non- & alcoholic beverages, we know how to whet people's appetite for tasting soft drinks, beer-based mixed drinks, spirits and more.

■ DELIGHTFUL, DELICIOUS, DESTILLA

Dressings, sauces, pickles – our delicious flavors add that special note to your gourmet food products.

■ YEARNING FOR YUM?

With our natural flavors, we sweeten confectionery from classic fruit jubes to baking mixes.

■ A FLAVOR MOOOVEMENT

Our irresistible flavors, distillates and extracts refine fruit yogurts, ice cream and their dairy-aisle neighbors.

CONTROLLED QUALITY MADE BY DESTILLA

INTO THE FUTURE – WITH PURE PLEASURE

The flavor industry is on a constant search for innovative ideas. Destilla facilitates this quest with its product range – probably the largest portfolio of pure essences and natural compositions in the world. We've been in the business of creating tomorrow's trends in taste since 1969. And turning them into unique innovations through fresh, hand-picked raw materials of the highest quality.

- Distillates
- Plant extracts
- Extracts
- FTNF flavors

POSSIBILITIES WITH DESTILLA'S
NATURAL DIVERSITY!**

OUR INGREDIENTS FOR YOUR SUCCESS

As a partner of the flavor industry, we know the market inside out. For almost 50 years now, we've been putting outstanding natural raw materials at your disposal. As you use our raw materials to

manufacture and compose your own flavors, you can fully rely on our decades of experience – and on our instinct on the needs of the flavor industry.

■ DIVERSITY IN ITS PUREST FORM, COMPLETELY NATURAL

We offer you a unique portfolio of ultrapure distillates and carrier-free extracts.

■ THE PERFECT MIX – AT EVERY MOMENT

Our Destilla standard product range provides you with an extensive choice of ready-to-use semi-finished products and compositions.

■ WE MAKE TASTE DREAMS COME TRUE

Our application engineers can develop personalized solutions for you – highly concentrated and precisely tailored to your needs.
