VITALUS

SPECIALITY DAIRY INGREDIENTS FOR FUNCTIONAL NUTRITION MARKETS WORLDWIDE.

ABOUT US

Vitalus Nutrition is a leading manufacturer of speciality dairy ingredients dedicated to unlocking the full nutritional value of milk. We transform milk into premium dairy proteins, butter and cream products, and prebiotic solutions that help food and beverage manufacturers develop innovative products for consumers around the world.

Combining deep dairy expertise with advanced manufacturing capabilities, we partner with customers across active nutrition, healthy ageing, infant nutrition, and food and beverage applications to deliver exceptional quality, consistent functionality, reliable supply, and responsive technical support.

PRODUCT PORTFOLIO

Premium speciality dairy ingredients designed to deliver nutrition, functionality, and performance across a wide range of food and beverage applications.

MILK PROTEIN
CONCENTRATES (MPC) & ISOLATES (MPI)

CLEAN. COMPLETE. FUNCTIONAL.
Complete dairy protein with exceptional nutritional value and functional performance.

VITAGOS™
GALACTO-OLIGOSACCHARIDES (GOS)

NOURISHING THE MICROBIOME.
Milk-derived dietary fibre that supports gut health and microbiome wellness.

CREAM & BUTTER

FLAVOUR. TEXTURE. PERFORMANCE.
Premium co-manufactured butter and cream solutions for culinary and food applications.

Consistent quality, dependable global supply

APPLICATIONS | NUTRITION ACROSS EVERY LIFE STAGE

INFANT & GROWING UP

Our MPC and VITAGOS™ support infant formula, toddler nutrition, and growing-up milk, nurturing healthy development from the earliest stages.

EVERYDAY NUTRITION & ACTIVE LIFESTYLE

High-protein MPC and MPI power everyday wellness, weight management, sports drinks, protein bars, and RTD beverages for active and health-conscious consumers.

HEALTHY AGEING

Our milk proteins support muscle maintenance and bone health, making them ideal for healthy ageing, clinical nutrition, and senior wellness applications.

CULINARY & FUNCTIONAL FOOD

Versatile proteins and cream enable dairy-forward formulations across bakery, sauces, confectionery, and meal replacements.

WHY PARTNER WITH US?

CUSTOMISED PROTEIN & LACTOSE:
Tailored ingredients with a range of protein and lactose levels.

GLOBAL REACH:
Supporting leading food and beverage manufacturers worldwide.

TECHNICAL EXPERTISE:
Dairy scientists and application specialists to solve formulation challenges.
