NEW at Dr. Suwelack

**Create the perfect Iced Coffee
with our flavourful Freeze-Dried Coffee**

A wonderful cold coffee is every summer a perfect refreshment. With Dr. Suwelack freeze-dried coffee made out of high class coffee beans the taste pleasure is on your side. Our freeze-dried premium coffees are gently processed which provides a pure and authentic coffee taste.

With its simple use (dosage:1,5%), 2 years minimum shelf life and uncomplicated storage of our freeze- dried coffees, it is ideal for usage in the hotel and catering sector. Our coffee is hot and cold soluble!

From our manifold assortment, we recommend the following best coffee specialties for Iced Coffee:

Benita 528 Full Dark Roast

Enjoy the diversity of the tropic coffee belt united in one unique composition of selected coffees from Asia, Central and South America. Our Benita 528 reminds of a hearty Espresso driven by a strong and dark roast, where gentle tart aromas of dark woods meet plain chocolate and hazelnuts that are harmoniously balanced by a creamy body.

Concerto 510 Rich and Medium Roast

Look forward to a full and rich coffee pleasure that impresses with delicate notes of dark cocoa, a malty sweetness and a creamy mouthfeel. Ideally suitable for all coffee enthusiasts who prefer a pronounced, classic coffee flavour that is underlined by a delicate spiciness and pleasant, medium bitterness.
