

**Peanut Products
Manufacturer**

Quality is our **passion.**

Our **Company**

Galdisa is a family-owned business with multiple locations in Mexico, and the U.S. We have been in business for over 50 years, working as a main ingredient supplier to major food manufacturers within the food industry. Our main supply focuses on processing dry roasted peanuts, peanut granules, natural peanut butter/paste, and peanut butter.

Company **Facts**

1. Headquartered in Mexico City with facilities in Northern Mexico, Central Mexico, and Texas (USA).
2. 50+ years in the peanut business 20 years serving global food companies, 500+ employees.
3. Vertically integrated throughout the peanut supply chain, with agricultural, manufacturing, and distribution operations
4. Galdisa has a technologically advanced food processing operation. Between our Mexico & U.S. plants we can process over 100M pounds per year with the current physical space to grow capacity up to 400%
5. Galdisa is a member:
 - American Peanut Council (APC),
 - Mexican Entrepreneurs Association (AEM)
 - Mexican National Chamber of Industries (CANACINTRA)

Our Products

- Peanut Butter Traditional

Roasted Peanuts

INGREDIENTS

Dry Roasted Peanuts

PRODUCT DESCRIPTION

Our roasted peanuts are made from U.S. grade high-oleic runner type peanuts that are carefully dry roasted, split-nut blanched, sorted, and inspected to deliver a flavorful natural product that our customers love. Roasted peanuts are peanuts in their purest form, and they are ideal to be enjoyed at any social gathering, after an intense workout, as a topping, or to create recipes where peanuts are the main guest.

Organics available upon request.

STORAGE

Dry storage at temperature between 40F (4C) – 50F (10C) is recommended.

SHELF LIFE

Up to 12 months after production, under recommended storage conditions.

Roasted Peanut Granules

INGREDIENTS

Roasted Peanuts

PRODUCT DESCRIPTION

Our roasted peanut granules are made from U.S. grade high-oleic peanuts that are carefully dry roasted, blanched, sorted, chopped, and sieved to deliver flavorful bits that our customers use as the perfect toping for bakery items, salads, ice cream, and more. Peanut granules not only add exceptional flavor to any food product but are also a great plant-based source of protein that can easily enhance their nutritional value.

Natural Peanut Butter / Paste

INGREDIENTS

Roasted Peanuts

PRODUCT DESCRIPTION

Our natural peanut butter (also known as paste) is made from 100 % U.S. grade peanuts that are carefully dry roasted, blanched, and ground into a delicious natural butter. No other ingredients are added in the process, which make natural peanut butter an ideal solution for consumers that prefer avoiding sugars or that are looking to produce their own recipes for bakery items, snacks, and gastronomic creations overall.

Organics available upon request.
