CHESTNUT EXTRACTS & FLAVOURS

Popular seasonal flavour, chestnut offers a unique taste profile that is ideally suited to new line extensions, limited time offers and seasonal applications.

The flavour experts at Prova have developed a portfolio of products that will bring the authentic taste of chestnut to your product line. Prova's chestnut flavour collection includes extracts and flavours, in liquid and powder forms. These chestnut flavours are designed to deliver the perfect signature taste to your products.

HIGHLIGHT MONT BLANC

Mont-blanc is a French pastry made with chestnut cream and whipped cream - a "signature" dish of Angelina's restaurant in Paris. This indulging winter treat has a lot of innovative regional variants.
