

DavosLife E3 TOCOTRIENOLS

- ✓ The Extraordinary Vitamin E
- ✓ High-Performance Bioactive
- ✓ Natural Source, Natural Ingredient

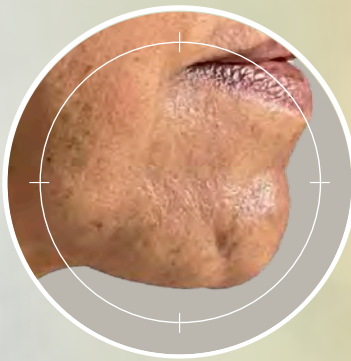

Extraordinary Results Testimonial from Ms. Yvette Overberg

"I love using the DavosLife Ageless FACT Serum because I have noticed the dehydration and fine lines on my cheekbones have improved. The crows feet have also smoothed out quite a bit as well. I also see improvements in skin texture and plumpness. When using the Ageless FACT Serum I also noticed that the skin has a specific glow and for longer too, which I love. I have received many compliments for my skin and people are saying that I am looking younger."

Before

DavosLife Ageless
FACT Serum

Protocol as follows :

- ✓ 1 Davoslife E3 Complete Tocotrienols softgel 2 times a day

- ✓ DavosLife Revive set 2 times a day
- ✓ Daily sunblock
- ✓ Sweet almond oil at night
- ✓ Hat outdoors and avoid the sun

- ✓ 6 drops of DavosLife Ageless FACT Serum 2 times a day

DavosLife Ageless FACT Serum

PEG & POLYSORBATE FREE

Tri-Active Ferulic Acid-C-Tocotrienols

DavosLife Ageless FACT Serum features a synergistic antioxidant combination of Ferulic Acid, Vitamin C and Tocotrienols (FACT Bioactive Complex) to enhance protection against skin damage caused by free radicals.

- ✓ **Gentle** to the skin
- ✓ **Assuring** with science-proven benefits
- ✓ **Caring** for users and the environment

Key Ingredients*

1% Tocotrienols (Super Vitamin E)

This powerful antioxidant neutralises free radicals and has strong anti-inflammatory properties. It provides visible anti-ageing benefits, and protects skin from the harmful effects of pollution and blue light exposure. It brightens skin to promote a healthy, lit-from-within glow.

2% Vitamin C

Formulated with Sodium Ascorbyl Phosphate, a more stable and gentler form of Vitamin C. Vitamin C helps to neutralise free radicals and protect skin cells from oxidative stress. It helps to promote collagen production in skin. An added benefit of Sodium Ascorbyl Phosphate is that it treats acne-prone skin as it has an antimicrobial effect and reduces inflammation.

2% Ferulic Acid

A powerful plant-based antioxidant that complements and enhances the effects of Vitamin C and Vitamin E. It protects skin from photodamage, and promotes hyaluronic acid synthesis. FACT Bioactive Complex features a micro-encapsulated form of Ferulic Acid that has better stability and solubility.

Ingredients

Water, Glycerin (PALMERA G997U), Propylene Glycol, Neopentyl Glycol Diheptanoate, Propylene Glycol Dibenzoate, 1,2-Hexanediol, Sodium Ascorbyl Phosphate, Ferulic Acid, Panthenol, Saccharide Isomerate, Tocotrienols (DavosLife E3 DVL 95), Tocopherol, Dipropylene Glycol, Hydroxypropyl Cyclodextrin, Polydextrose, Sodium Hyaluronate, Elaeis Guineensis (Palm) Oil.

How to Use

DavosLife Ageless FACT Serum can be used morning and night on dry or damp skin (4 - 5 drops on the face and neck), to help keep your skin safe from environmental aggressors.
