

ENOUGH[®]

delicious. nutritious. sustainable.

Zero
Waste

A **WHOLE** biomass
of food **RICH IN**
PROTEIN AND
FIBRE... created
with **ZERO** waste

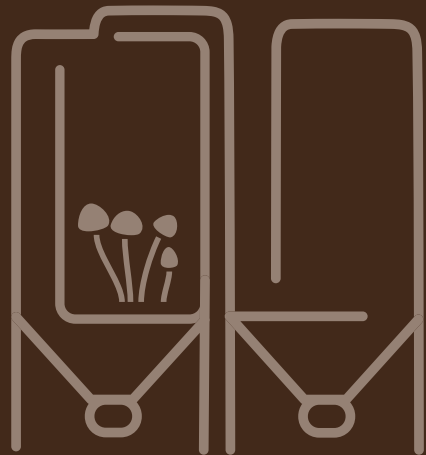

ABUNDA[®]

Changing WHAT we eat, not the WAY we eat, so you'll still cook all your favourite dishes, you just don't need the animal to do so. **Scan QR code to learn more.**

We ferment fungi with natural sugars from grains to make a sustainable protein we call **ABUNDA[®]** mycoprotein.
