Activ'Inside Group was created based on its founders' expertise in the botanical extracts industry of almost 30 years. Located in Bordeaux, France, **Activ'Inside Group hence, is an independent B2B nutraceutical company that offers the health supplement industry more than a simple full contract manufacturing service.**

As a company that thinks B2C with a B2B execution, **Activ'Inside Group is your one-stop-shop in providing you a full, reliable and economical 360° contract manufacturing service** - all while incorporating our research and scientific expertise.

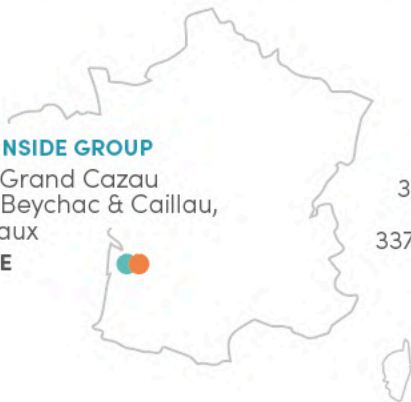

Through Activ'Inside Ingredients and Activ'Inside Manufacturing respectively, our objective is **to deliver high-quality and science-backed ingredients and food supplements to the nutraceutical industry.**
