One-Stop Solution

1995

Honson Pharmatech Group was founded in Canada.

2001

Founded in 2001, as an award winning private label supplement manufacturer from Canada.

2005

The former company of Pharmatech AsiaGroup(PAG), Ingredient China Group(ICG) focused on providing raw materials to all over the world.

2007

ICG started marketing on Alibaba to provide her clients with Softgel, Tablet and Medical Device.

2009

Pharmaland was established to supply the high standard machines and production solutions to clients.

2012

ICG changed name to PAG and invested factories in China.

2015

PAG provides services to more than 50 countries.

2019

Pet Supplement Launched

Big change

PAG is building new factories in China and USA in year 2023.

Sales offices are located in Shenzhen China, United Kingdom and USA
China factory is located in Shenzhen, China.
Sister company: Honson Pharmatech Group in Toronto, Canada.

The red parts stand for the places where our clients are located .

We Aspire To Make The World Healthier

We serve and respond to our global clients in over 60 countries on the same day.
It is worry free and no distance for our clients.

GMP factory R&D Support

Since 1995, Pharmatech Asia Group (PAG) has earned a reputation, across more than 60 countries around the world, as a one-stop provider of health-related solutions, including formulations, processes, equipment, and nutritional supplements for private label redistribution and direct-to-consumer sales.

Brain Care

Algae oil DHA Vegan softgel 500mg

DHA is the most abundant omega-3 fatty acid in our brains. And, because our bodies can't efficiently make DHA, we need to eat foods rich in this important nutrient in order to keep our brains functioning optimally.

Active Ingredient	Content (/capsule)
DHA (From algae oil)	200mg
