British Made Chocolate

Your chocolate, our expertise

About us...

Presenting a cutting-edge chocolate factory, crafted with decades of industry expertise, nestled in the heart of Suffolk.

The history of the GCB Cocoa Group traces back to the early 1980s, originating with the trading of cocoa beans. GCB stands as one of the leading cocoa processors in Asia. It's thrilling to bring this wealth of experience into the UK's chocolate and cocoa industry.

GCB COCOA UK LTD

GCB's newest offering, part of the Favorich Range, is now being produced at our UK chocolate factory, presenting a selection of Milk, Dark, and soon White Chocolate varieties. Our UK facility boasts the latest equipment to ensure that a traditionally recognised process is fulfilled with efficiency and consistency, allowing us to offer an extensive range of liquid and solid chocolates.

At GCB Cocoa, our dedication lies in providing exceptional, mouthwatering products and tailor-made cocoa solutions that perfectly suit the preferences of our esteemed customers.

From our UK chocolate factory, we are poised to offer a delightful range of products, including Chips, Chunks, Remelts, Curls, Shavings, and more. One of the notable features of our facility is the fully segregated dairy-free chocolate production line, distinguishing us as a unique presence in the UK chocolate manufacturing arena. Driven by our unwavering commitment to quality and innovation, we continuously strive to deliver outstanding, personalised cocoa solutions to meet the needs of our valued customers.
