WEBSITE

AB | MAURI

Welcome to AB Mauri India Private Limited, a 100% subsidiary of Associated British Foods. We are your ultimate source for all Spices, Spice Blends, and Seasonings from the vibrant Land of Spices, India. Our journey began in 1991 as Cochin Spices Pvt. Ltd., established as a joint venture with Tones Inc. USA. Today AB Mauri stands as a prominent player in the global spices trade. Our manufacturing facilities are situated in Kerala (Cochin) and Gujarat (Mehsana), while our procurement hubs in Kerala, Maharashtra, Telangana, and Andhra provide a solid foundation for seamless international trade.

We serve as a comprehensive destination for Spices, Spice Blends, and Seasonings across industrial, retail, and food service sectors. Our continuous innovation is dedicated to delivering top-notch products and exceptional value to customers worldwide.

SUSTAINABILITY

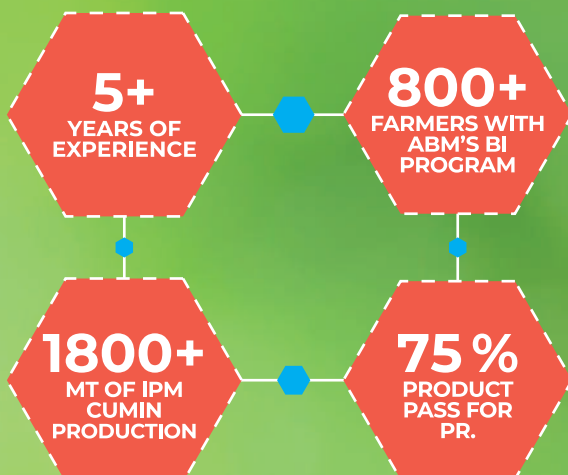

Sustainability today has become one of the growing concerns for the food industry due to various social, economic and environmental factors. We at AB Mauri India have presence through out the spices crop growing Indian states with our backward integration program. Understanding the need for a sustained livelihood for the farmers, we designed a Farmer Sustainability Program, with the core idea of focusing on yield, quality and agricultural practices.
