CeeBe Health&Nutrition

TRENDS

GUT HEALTH

80% of your immune system lives in your gut
A healthy gut microbiome helps fight off infections and reduce inflammation.

Your second brain

Your gut communicates with your brain – influencing mood, stress levels, and energy.

Essential for nutrient absorption

A balanced digestive system allows for optimal absorption of vitamins and minerals.

TRENDS

GUT HEALTH

How Can We Support Gut Health

- **Probiotics - live beneficial bacteria**
Help maintain a balanced gut flora
Support digestion, reduce bloating, and strengthen immunity
- **Prebiotic fibers - food for your gut bacteria**
Promote the growth of healthy microbes
Improve bowel regularity and reduce inflammation
- **Synergistic formulas**
Options to combine ingredients for enhanced results

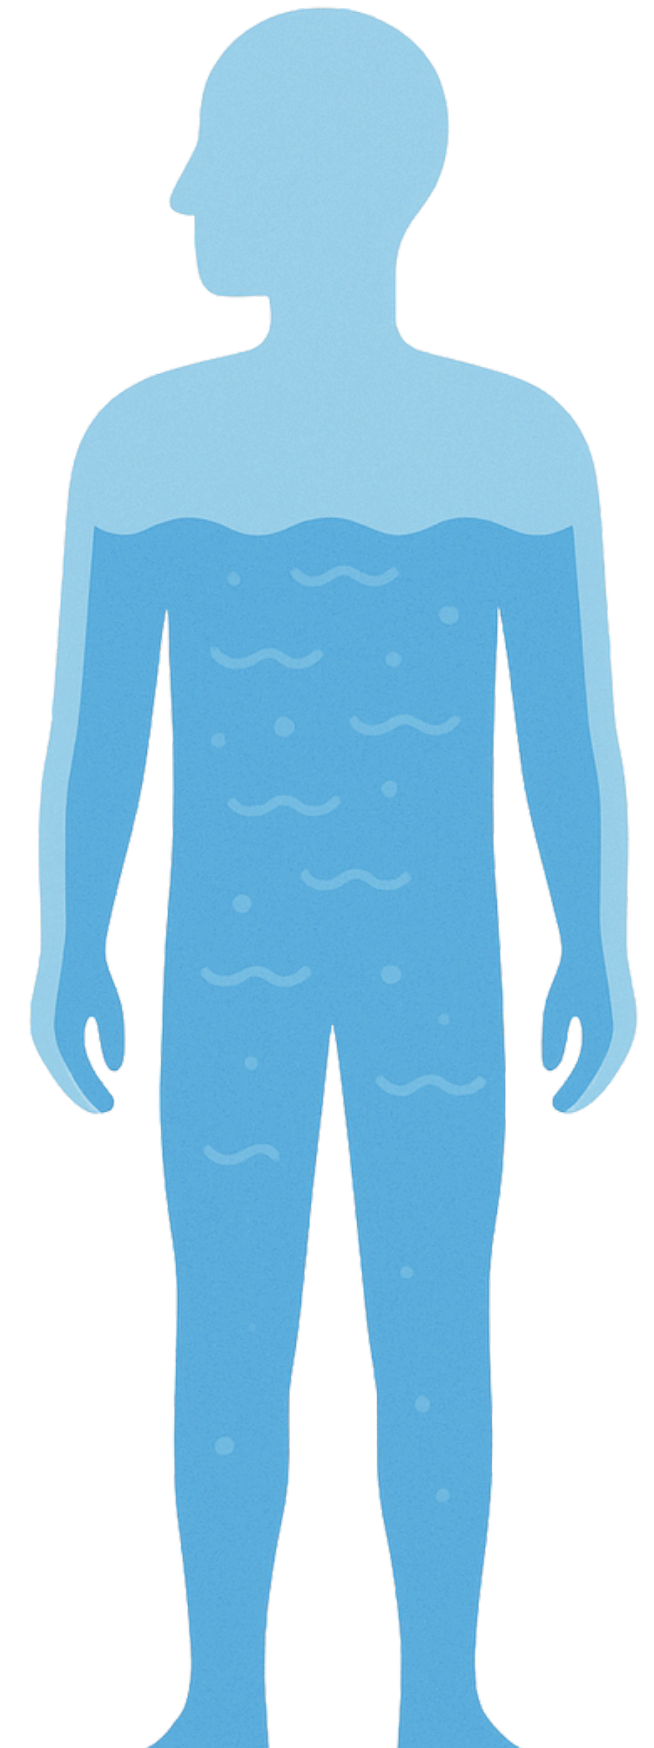

TRENDS

HYDRATION

Why Your Body Needs Proper Hydration

- Your body is over **60% water** - hydration is essential
- Even **mild hydration** can cause fatigue, brain fog and poor performance
- Affects **temperature regulation, digestion and circulation**

TRENDS

HYDRATION

Electrolytes = Smart Hydration

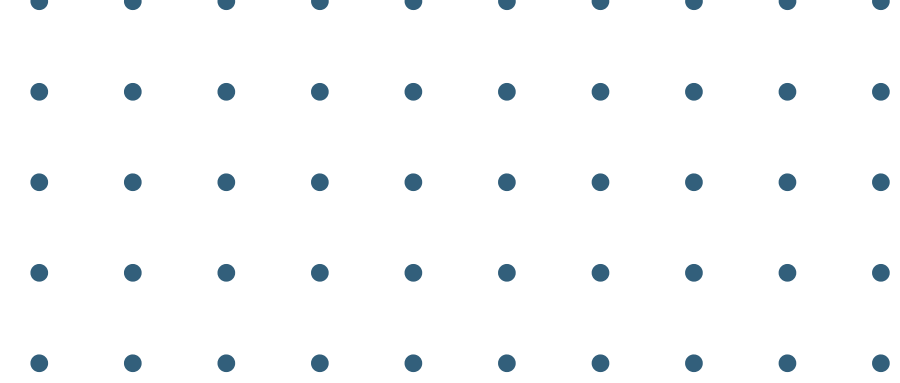

The Role of Electrolytes

- Help your body adsorb and retain water effectively
- Support muscles, nerves, and fluid balance
- Boost energy and focus
- You lose electrolytes through sweat - water alone isn't enough

TRENDS

HYDRATION

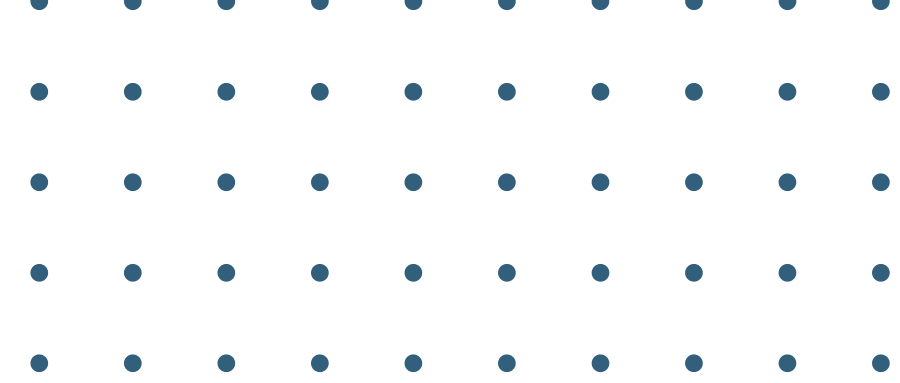

Our Hydration Solutions

- **Effervescent tablets** - fast-dissolving, delicious, daily use
- **Stick packs** - on-the-go, perfect for sports, travel, or hot days
- **No sugar overload**, just clean, science-backed formulas

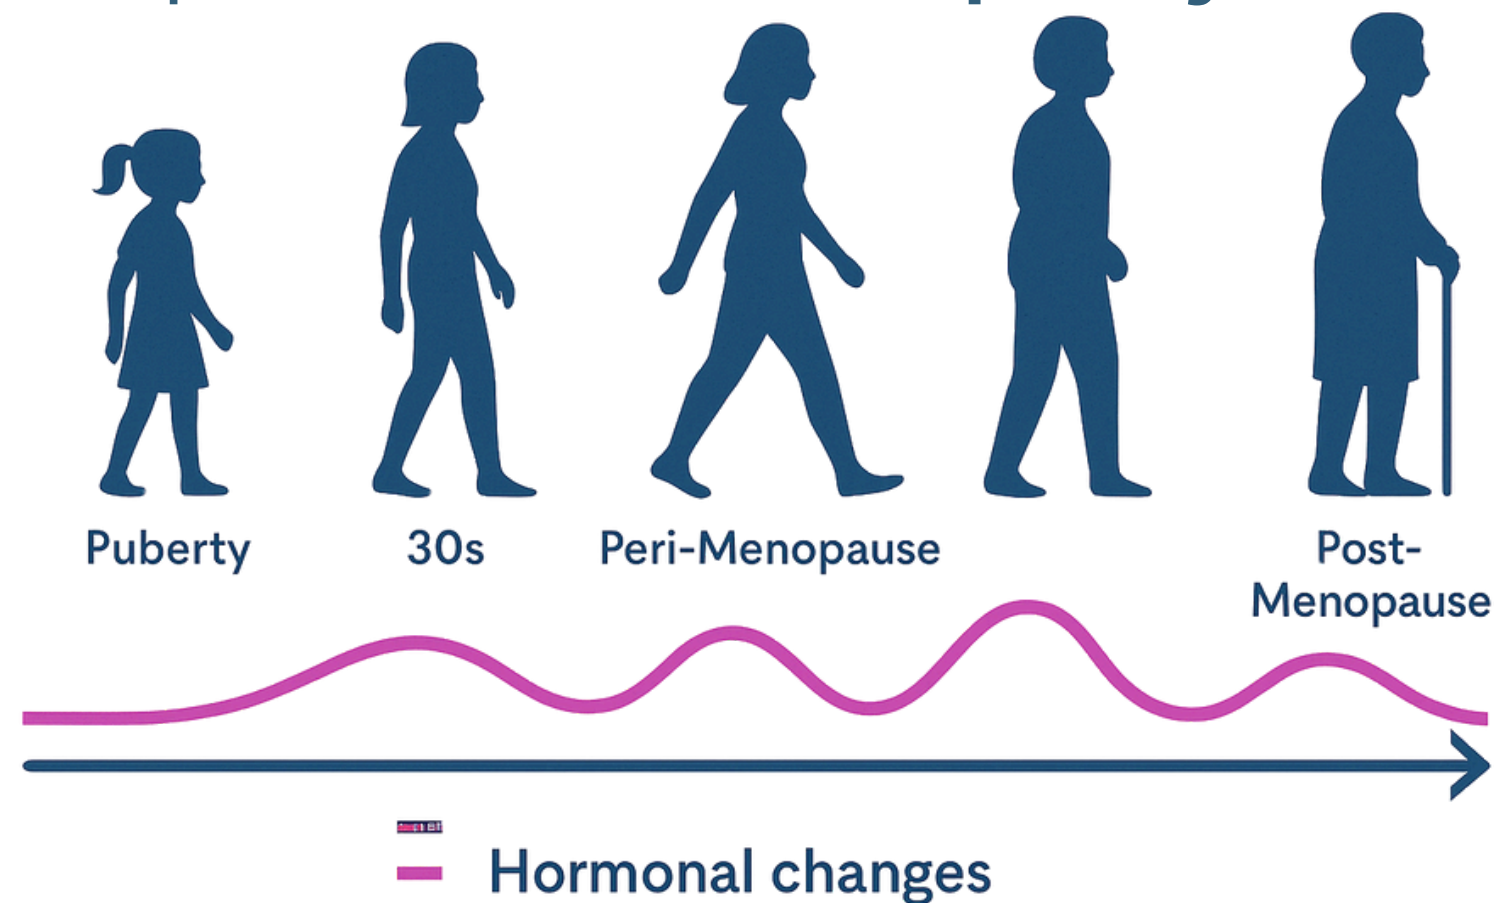

TRENDS

WOMEN'S HEALTH

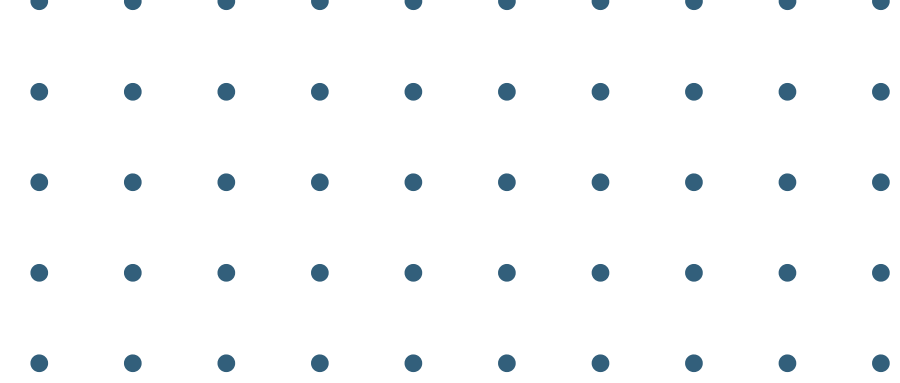

Supporting Women at Every Life Stage

- Hormonal balance is essential to **energy, mood** and **metabolism**
- Peri-menopause brings changes that affect **sleep, weight, skin** and **focus**
- Longevity isn't just about lifespan — it's about **quality of life**

TRENDS

WOMEN'S HEALTH

Targeted Supplements for Real Change

What can we offer? Supplements that target

- Hormonal Balance & Menstrual Health
- Intimate Health
- Peri-Menopause & Menopause Relief
- Mood, Stress & Cognitive Health
- Energy, Fatigue & Thyroid Support
- ... *and so much more!*
