CHINESE BEE PRODUCTS LEADING ENTERPRISE

COMPANY PROFILE

BEEHALL Group was established in 2003 and a registered capital of 120 million yuan. Located in Beijing, the capital of China. The business scope covers the whole industry chain which integrates bee breeding, product research and development, production, sales, export, OEM & ODM service.

BEEHALL Group covering an area of 50000 square meters. There is an independent research and development center and 13 world-leading professional customization production lines in the GMP level factory. The main products are honey, bee pollen, propolis, royal jelly, beeswax and other related bee products.

Currently, BEEHALL Group has hundreds of bee breeding bases in and more than 6,000 standardized exclusive stores in China, and constantly setting up multiple branches around the world. We are committed to becoming a professional supplier of bee products and are determined to work hand in hand with customers all over the world. To create a health, green and sweeter future.
