Brazilian Sugar and Coffee for Global Markets

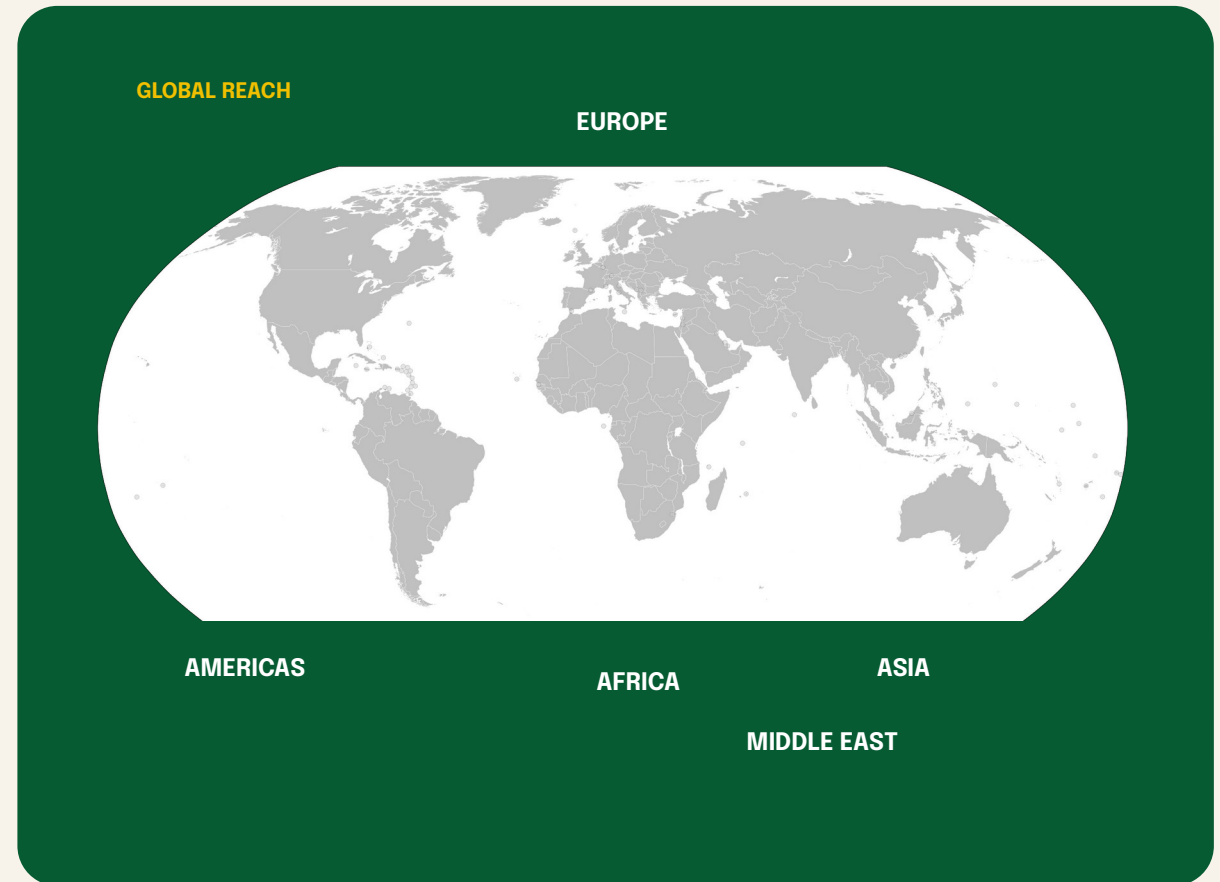

Trading Excellence from Brazil

INTERNATIONAL TRADING / 2026

Connecting Brazil to the World

Established in 2018, Get It From Brazil connects Brazilian producers, cooperatives, industries and packing operations with buyers across global markets.

The company coordinates international trade across the Americas, Europe, Africa, Asia and the Middle East, supported by Brazilian origin expertise and export execution.

Quality Prepared for International Markets

Kosher for Passover

ADOCIKA states that all of its sugars carry Kosher for Passover certification.

Quality programs, product specifications and documentation are coordinated for international markets and the requirements of each commercial program.

From the Heart of Minas Gerais to the World

Premium Brazilian Coffee Exports

Rooted in Brazilian Coffee Excellence

Coffee You is the group's specialized coffee export brand, sourcing from more than 15,000 producers in Minas Gerais.

- **Brazilian coffee sourcing**
- **Strong presence in Minas Gerais**
- Arabica and Conilon / Robusta
- International export experience
- Selection for destination requirements

From Minas Gerais' Farms to Global Buyers

1,260 m

maximum altitude reference

Higher elevations bring milder temperatures and slower fruit maturation. Coffee You links altitude, climate, terroir and producer expertise to the selection of coffees for international buyers.
