

Beneo-scFOS

Beneo-scFOS: Reduce sugar, add fibre

For products with the taste and texture consumers expect

Reduce sugar and enrich your products with fibre, while keeping taste and texture in focus. Beneo-scFOS is a highly soluble dietary fibre with mild sweetness and sugar-like taste and functionality, enabling easy formulation across a wide range of food applications.

From nature to Beneo-scFOS

Beet sugar syrup
Natural source for scFOS

scFOS syrup

scFOS powder

Discover the nutritional benefits of Beneo-scFOS

Replace sugar while adding dietary fibre

Improve nutritional value without compromising on taste & texture.
