

# Open up a whole Kosher world

KOSHER CERTIFICATION

# Kosher Certification

## Application

To get started, complete our application. The information you submit will be treated in strictest confidence.

## Quotation

Your application will be assessed by our experts and a quotation issued. Our fee varies and is dependent on the type of ingredients and the complexity of the manufacturing process. KLBD prices are competitive, ensuring that companies can compete in global markets.

## Assessment

A qualified inspector will carry out an audit. He will look carefully at the manufacturing process and raw materials used, ensuring the ingredients and processes meet international kosher standards.

## Certification

Ensuring your ingredients and processes meet our high standards, we will draw up a contract for you to sign. Once the signed contract and fee are received, your kosher certificate and KLBD logo will be issued for you to use.

Wider market opportunities now await you.

## Congratulations

Your products are now certified kosher by the world's most helpful, trusted and friendly kosher agency.

**Looking forward to working with you, to help you make the most of your KLBD kosher certification**
